

Morristown-Hamblen County  
Solid Waste Board

**Notice of Tire Disposal/Recycling Fee Increase**  
**Effective February 1, 2022**

Effective February 1, 2022, the Morristown-Hamblen County Solid Waste Board will increase fees for disposal/recycling of all tires from residential and business customers as follows:

- Effective February 1, 2022, fees for disposal/recycling of all tires will be based on a rate of \$160.00 per ton;
- The fee for tires up to 16 inches in size will be \$2.00 each subject to a limit of 4 tires;
- The fee for 5 or more tires will be based on weight, and the fee will be determined based on a rate of \$160.00 per ton;
- The fee for truck and tractor tires will be based on weight, and the fee will be determined based on a rate of \$160.00 per ton;
- Anyone attempting to dispose of tires at the landfill without paying the appropriate fee will be charged a \$25.00 service fee or will be given the option to keep their tires.
